

August 2024 – Chenies

This month's walk was fairly local, 14 of us set off from the Red Lion in Chenies, we walked down into Chenies and past Chenies Manor and then followed the path along the top of the valley with beautiful views over to Latimer House.

We then dropped down to the valley and walked alongside the River Chess from Latimer House back to Chenies via a little loop that took us almost to Chorleywood.

A little climb up the hill (rewarded with lovely views again over the valley) took us back to the pub where we had a very good lunch.
