

December 2025: Croxley Green Xmas walk.

15 of us set out on a rainy Tuesday morning for our Xmas walk around Croxley Green. We followed some of the world famous Parish Boundary walk. We missed out the section along the River Chess as despite the good work in the summer to reinforce the river banks there are still some wet and muddy parts. Likewise , there was a large fallen tree by Dell Wood which required us to walk through the woods rather than round them.

After 6.25 miles we arrived, slightly damp, at the Artichoke for our Festive Lunch. 18 of us sat down to a very nice lunch in the marquee which was well heated to dry us out !  
Thanks to all who participated in the 2025 walks.
