

U3a walking group Tuesday 25th February

Twelve of us sallied forth from the Cart & Horses in Commonwood well prepared for the rather muddy conditions that we faced after heavy rain: indeed, we were concentrating so much on keeping upright that we completely forgot to take a photo! We had lovely weather for the 6.2 mile walk at least, which took us up to Bucks Hill, back down and up again to Newhall Farm then on to Sarratt, around the back of Great Sarratt Hall up to Penman's Green and back to a well-earned and delicious lunch.
