

January 2022 – Ley Hill

6 of us enjoyed a walk of 5.75 miles from The Crown, through the village and on The Chiltern Way down to the Chess Valley near Chesham.

We followed the Chess Valley walk back towards Latimer before returning across fields and through woodland. The most challenging part was a dodgy stile near the end but all managed to negotiate it! A highlight was seeing a rare bird, a Glossy Ibis, feeding on wetland. 2 birdwatchers allowed us a view through their telescopes.
