

January 2023, Wigginton

From The Greyhound, a walk of exactly 6 miles. We were pleased to welcome 3 new members plus another couple returning to the group after some while.

Following heavy rain earlier in the month, we avoided muddy footpaths and kept to higher ground. Our walk took us away from the village along a rural track and through woodland before heading back through Hastoe. We approached Wigginton again along The King's Ride, part of the Rothchilds' estate.

A warm welcome and particularly good food were enjoyed at the pub.
