

March Walk

A group of 11 left the car park of the Old Orchard in Harefield and headed down towards Black Jacks Mill and the Grand Union Canal. Half an hour along the canal took us to Moorhall Road. A quick trip up the hill took us to the London Loop. We walked through some woods and across Harefield Moor to Harvil Road. Across the road and over yet moor land eventually arriving at Bayhurst Wood Country Park. Through the woods where we saw a solitary Blue Bell. Across more fields until we reached Church Gardens and the ANZAC cemetery. Over Church Hill and across more open land with panoramic views across the lakes and the HS2 works until we arrived at the back garden of the Old Orchard where we enjoyed a refreshing drink and a good lunch.
