

## March 2026 Walkers – Walk.

Our walks in January and February didn't happen due to inclement weather and a rush of people being away on holiday and having grandchild duties.

Normal service was resumed in March when a group of 17 walkers met at the Blue Ball pub in Asheridge, just outside Chesham.

It was a chilly March morning when we intrepid walkers, led by Irene, set forth on a rerun of a walk we did back in September 2024, only in the clockwise rather than anti-clockwise direction. It being the Chilterns, it was quite hilly so rather than our usual 6+ mile walk we cut it down to about 5.3 miles ... which sadly did not omit the steep sections! Lovely views, not too muddy and jolly conversation spurred us on towards our delicious lunch at The Blue Ball in Asheridge.
