

May 2022 – Little Gaddesden

A walk of just under 6 miles starting and finishing at The Bridgewater Arms.

We enjoyed the lovely views along The Golden Valley before heading up to Ashridge House where we had the obligatory group photo taken by Ray. This neo Gothic property dates from the early 19th Century and was home to the Earls of Bridgewater; it is now a business school, conference centre and wedding venue.

Our walk took us through National Trust woodlands as we returned to the village.
