

October 2025 – Little Kingshill.

We met at the Full Moon pub in Little Kingshill after negotiating roadworks. Chris and Bob were leading the walk. We set off through the pub garden to a little gate in the corner and out into countryside. The sun was shining and all was good. Across some fields and along a road that went past the very impressive Peterlee Manor farm. Through Peterlee wood, with a covering of fallen beech leaves making navigation fun. After a while we emerged onto a road opposite the Polecat pub. Through Longfield Wood and out to the edge of Great Kingshill. Across more farm land with impressive views of the trees turning to their autumn colours and eventually back to the Full Moon. We sat in their marquee for lunch and a welcome drink. Many thanks to Chris and Bob for this walk.
