

September 2025.

This month we set off from the Black Horse on Chorleywood Common. Across the common, rushed by the shops and into Carpenters Wood. This took us, via a bit of a hill, to the Amersham Road where we dived with the traffic to get to Chenies Manor.

Through the Manor woods down to Latimer Road where we joined the Chess Valley Path. Just after North Hill we started heading up towards Chorleywood House. Back across the Common and into the Black Horse for a welcome, refreshing drink and some lunch.
