

**Jul 2023**

Today's meeting was well attended with 18 members participating.  
The theme was based on Majestic Wines own label brand which is called 'Definition'.  
We started off with two rose's:

Definition Sparkling Rose 12%, RPP £29.99 we paid £14.99

Definition Provence Rose 12.5%, RPP £11.99 we paid £8.99

The sparkling wine was enjoyed but all felt the RPP was ridiculous; the Provence was more popular and reasonably priced.

This was followed by two whites:

Definition White Burgundy 13%, RPP £14.99 we paid £10.99

Definition Albarino 12.5%, RPP £12.99 we paid £10.99

Both wines were deemed enjoyable but the Albarino was the overwhelming favourite.

Onto the reds:

Definition Fleurie 13%, RPP 13.99 we paid £10.99

Definition Zinfandel 14.5%, RPP £10.99 we paid £8.99

Whilst everyone agreed the Fleurie was quite drinkable the Zinfandel was the clear winner with everyone voting for it.
