

## August 2022

A very convivial evening was had when 10 members sampled the wares provided by David and Gerry. All of the wines were from the south of France consisting of 2 rose, 2 white and 2 red.

The prices ranged from £6.75 to £18.50 and were all purchased from The Wine Society.

Most of us had not heard of The Wine Society and David explained their origin and purpose.

The Rosé's were well received being both dry and reasonable priced. The whites were more of an even match and the second red (Minervois, Plaisir d'Eulalie, Château Sainte Eulalie 2020) was a clear winner and a bargain at £8.50.
